Superseding Revision:

## SECTION 2 - GENERAL RULES AND REGULATIONS

### A. APPLICATION OF RATES AND CHARGES

#### 1. Application Form

Any applicant for facilities or service may be required to sign an application form requesting the Telephone Company to furnish the facilities or service in accordance with the rates, charges, rules and regulations from time to time in force and effect.

#### 2. Business and Residence Rates

##### a. Business rates apply to service furnished:

In office buildings, stores, factories and all other places of a business nature.

In hotels, apartment houses, clubs and boarding and rooming houses except when all stations are within the subscriber's domestic establishment and no business listings are provided; college fraternity or sorority houses, hospitals and other institutions; and in churches except when the station is located in the clergyman's study.

At any location when the listing indicates a business or profession or at any location where the use of the service is of a business or professional nature.

At any location where the subscriber resells or shares exchange service.

Flat rate service for the exclusive use of the subscriber may be furnished to a reseller or sharer of service that subscribes to message rate or measured service for resale to its customers.

All semi-public service is classified as business service regardless of the location.

##### b. Residence rates apply to service furnished:

In private residences or the residential apartments of buildings of any type, including all parts of a subscriber's domestic establishment, provided none of the conditions at such locations require application of business rates.

In the study of a clergyman located in a church.

In a private garage, barn or stable when strictly a part of the subscriber's domestic establishment.
